

## Falcon College End of 2<sup>nd</sup> Term Newsletter

As we wrap up what has been a very emotional, busy and successful term, I'd like to take a moment to reflect on some of the highlights.

### Awards

We had our awards assembly on Wednesday where several of our students' received awards, we extend our congratulations to them for their outstanding achievements.

### Sports Achievements:

Our sports teams have continued to excel this term. Our Girls' Hockey team put up a strong performance and secured 7th place in the Golden Girls tournament, while our Boys' Hockey team made it to the final of the Super 12, narrowly missing out on the top spot.

Our rugby teams fared well against St John's winning six out of the ten games played whilst our soccer sides struggled against powerful St John's teams.

We also celebrated our 70th anniversary in grand style, with a successful series of matches against Peterhouse. Our 1st teams in hockey, rugby, and soccer all secured victories, achieving a fantastic threepeat. Congratulations to everyone involved in making this milestone celebration memorable!

### Drama and Arts:

This term, we also held our interhouse singing competition, which was a fantastic showcase of talent and team spirit. Congratulations to Chubb for taking the top spot, followed by Founders, George Grey, Tredgold, Hervey, and Oates.

### Academic Progress:

Our mock exams and internal exams went well, with students showing commendable effort and improvement. We're proud of most of their achievements and are confident that most of them are on the right track as we head into the crucial examination period next term.

## Looking Ahead:

Next term promises to be another busy one, filled with sports fixtures and, of course, the public examinations. As we head into the new term, we will be introducing several positive changes to enhance the school environment. We will inform you of these changes before the beginning of term.

Additionally, we will be conducting an academic investigation to identify areas where we can improve our academic program, ensuring that we continue to provide the highest quality education to our students.

## Return to School Guidelines:

As we prepare for the new term, please ensure that your children return to school on Sunday, 8th September, properly prepared. This includes being dressed in the correct school uniform and having appropriate hairstyles. Boys returning with illegal haircuts will have their hair trimmed to a number 4 here at school. If their heads are shaved above the ears, they will be sent home until it grows back to an acceptable length.

We will continue to conduct random nicotine and drug tests throughout the term. Please be aware that any positive results will result in the appropriate sanction for the child and a charge being made to parents.

## Holiday Wishes:

Please understand that it is the little things in life that truly count, we at Falcon are trying to provide your children with a holistic education that will prepare them for the crazy world we live in. You might think that some of our rules and regulations are pointless, but they are far from it, each one has a purpose in preparing your child for their future, whilst the rest of the children in the world stand and lay blame on everyone but themselves your children will be able to go out there and make something of themselves without giving up and laying blame. They will hold themselves accountable.

All we ask is that there is consistency in your children's lives, that you as parents hold them accountable for their actions so that when they come back to school there is no inconsistencies and that they understand that school rules also filter through to the home. Your support here is important.
